

# October Above and Beyond

## \*\* Art \*\*

Here are some choices for the October A&B project (choose one). The project may be turned in anytime during the month of October.

1. A fall (NOT Halloween, please) picture using the materials of your choice.
  - \*Some ideas: leaves, seed pods, dried beans and seeds, leaf rubbings, watercolors, colored pencils, crayons, cut or torn paper...
  - \*Finished size: minimum = 9"x12" / maximum = 12"x18"
2. Decorate (do NOT carve) a small pumpkin (no larger than a soccer or basketball size, please).
  - \*Decorating ideas: paint, marker, yarn, pipe cleaners...
  - \*Acceptable design ideas: Religious designs (cross, rainbow, Bible character), animal, person, funny face...
  - \*Unacceptable design ideas: Anything gruesome or having to do with the "dark" side of Halloween.

We will display all projects during October and November, so the project can also have a Thanksgiving theme if your child wishes.
