

Above and Beyond

What is *Above and Beyond*? This is an optional monthly project based on one of our school subjects. Any student who completes at least one of these projects will receive an award at the end of the school year for going "Above and Beyond" the normal curriculum expectations. The award will have a special sticker for each project completed. The more projects completed, the more stickers received! See below for the first Above and Beyond project:

September - Religion

Religion is the theme for the "Above and Beyond" project for the month of September. This month you will have a choice of three different projects to complete. You only need to choose one (1) project.

1. Tell one of the parables in your own words. Use creative writing to retell a story that Jesus told. Please make a reference to the chapter and verse where you found the parable.

2. Draw a comic strip to tell one of the parables. Draw at least four pictures to retell a story that Jesus told. The pictures need to be colored and at least 3x3 inches each. Please make a reference to the chapter and verse where you found the parable.

3. a. Find five (5) Bible verses in a different language.
 OR
 b. Find one verse in five different languages.
Write or type these verses in both English and in the foreign language(s). Be sure to write down which foreign language the verse is in and please make a reference to the chapter and verse.

***This will be due by October 1.
(But you may turn it in at any time throughout September)***
